

Constitution of Adult Club Goes To Commission

Now under study by the Torrance Recreation Commission is a recently completed draft of the Torrance Adult Club constitution and by laws, which will be forwarded to the City Council for approval as soon as City Attorney James Hall gives his legal opinion of the document.

A copy of the constitution has been sent to Hall for his legal opinion.

The Commission will hold a special meeting on the matter prior to forwarding the constitution to the Council. The proposed by-laws and constitution were presented to the Commission for their approval on Dec. 10 at a special meeting of the group.

Darwin Parrish, chairman of the Commission, said "A lot of new interest has been shown in the activities of the center in the last few weeks, and it looks like the Adult Club is going to be one of the most popular new activities of the Recreation Department."

The Adult Club is a recently formed group which proposes to provide entertainment and activity for those senior citizens who attend the Torrance Adult Recreation Center at 1318 Cravens.

The adults selected a committee to draft a constitution and by-laws to govern the new group. On the committee were Mrs. Iris Steffen, Harlan Haynes, Chris Jones, Guy Hight, and Claude Martin. Martin was chairman of the committee and Harry Van Bellehem, city recreation director, acted as advisor.

GP Charity Drive Donations up 10 Per Cent in '54

A ten per cent increase in charitable donations in the General Petroleum employees' 1954 "Give Ones" charity drive was reported this week by Vernon C. Vance, of 1957 Plaza, Del Amo, chairman of the campaign.

Assisting Vance were Paul A. Narveson, 1323 Date Ave., financial secretary, and I. O. Kasten, 1222 Acaacia Ave., department representative.

Vance said a total of \$54,425 had been given by General Petroleum employees in the Greater Los Angeles area. This was better than 10 per cent over the total given in the 1953 drive.

The money will be distributed to over 35 charities chosen by the 3000 employees who participated.

Vance and Narveson are employed at the company's Torrance refinery. Kasten is a Pipe Line department employee at the Ford Lease.

Shriners To Meet In L.A. To Fete Anniversary, Eat

Torrance Shriners will join thousands of others who will convene in Los Angeles Saturday to celebrate the 65th anniversary of the founding of Al Malakah Temple. It was announced this week by illustrious Sir Arch L. Field, potentate.

Features of the program will be induction of neophytes, a tableau of the uniformed bodies of the Temple, professional talent entertaining on the Shrine Auditorium stage, and 10,000 free barbecued steaks, donated by a Los Angeles restaurateur.

Al Malakah Temple started with 31 charter members meeting in a hall rented for \$7.50 a month. Today Al Malakah has 19,651 members who meet in the largest and most elaborate structure owned by any of the 185 Shrine Temples located throughout the United States, Canada and Mexico, Field said.
